“

Melampaui keterbatasan Anda jauh lebih penting daripada tinggal di dalam batasan yang Anda sukai.

Going beyond your limitations is far more important than staying within the limitations of what you like.

“

Anda dapat mengingat masa lalu. Anda dapat mengalami saat ini. Tapi Anda bisa menciptakan masa depan.

You can remember the past. You can experience the present. But you can craft the future.

“

Jika Anda pikir sesuatu atau seseorang bertentangan dengan Anda, Anda kehilangan Yoga Anda; Anda kehilangan inklusifitas Anda.

If you think something or someone is against you, you lost your yoga; you lost your inclusiveness.

“

Kekuatan tertinggi di dalam keberadaan adalah kesadaran, dan itu lah Anda.

The highest force in existence is consciousness, and you are that.

Sadhguru

“

Setiap manusia seharusnya mengetahui apa kemungkinan tertinggi dalam hidup. Apakah mereka akan menempuh jalan itu sepenuhnya atau tidak adalah terserah mereka.

Every human being should know what the highest possibilities in life are. Whether they will walk the path all the way or not is up to them.
